

Hello Kindergarten parents. Below is just a brief overview of the Ohio Dept. of Health vaccine requirements for school attendance. Many of you have completed these requirements, and some of you need one more dose. Please be advised that if your child does not have the required vaccines by the 14<sup>th</sup> day of school they may need to be excluded from school. There are exceptions and exemptions to this rule.

**DTaP** (Diphtheria, Tetanus, Pertussis)

4 doses are required and the last dose must be given after age 4

**POLIO**

**3 doses or more required final dose must be after age 4**

**MMR** Measles, Mumps, Rubella

2 doses required

**HEP B**

Hepatitis B

3 doses

**Varicella**

(Chickenpox)

2 Doses

Attached is a copy of the ODH immunization summary, the Ohio Revised Code regarding school attendance and vaccines, the health history, oral assessment and physical exam forms.

The Health History form is for parent completion.

The physical exam and oral exam forms can be printed and taken to your child's check-ups that you may have scheduled for the near future. You may already have these documents from kindergarten screening.

Hard copies of all the documentation may be turned in to the office.

You may email Jennifer Douthwaite at [jdouthwaite@wlstigers.org](mailto:jdouthwaite@wlstigers.org) with any questions regarding the requirements.
